

# Surrendering to the River of Love

## With Deborah Taj Anapol and Friends

### May 23-30, 2009 in Tulum, Mexico

Join us for our 10<sup>th</sup> Anniversary at a remote and unspoiled beach front resort on the Caribbean coast (an hour south of Cancun) where Mayan adepts once worshipped. Relax and swim on the white sand beach, visit ancient ruins, and celebrate with kindred spirits. Partners and singles are welcome.

This is an opportunity to reflect on where we've been, share where we are now and deepen our connections with All that Is. Over the years, many hearts have been touched, bodies healed, minds expanded, spirits fed, and lives forever changed by these groups. As we approach the long prophesied end date of the Mayan Calendar in 2012, time is both speeding up and slowing down, more is happening faster than ever before, and previously unimaginable breakdowns in our major systems have become commonplace. It feels very appropriate to gather here once again and support each other to step into a higher level of passion and synergy as we enter a new era. The old world is crumbling around us and now is our opportunity to co-create the world we know is possible.

This will be a Seven Chakra Retreat. We will be working with breath, energy, conscious touch, movement, meditation, inquiry and dialogue. We offer the gentle guidance of your spiritual family as support in
